Town pays tribute

Deputy Mayor Bernice Capjack placed a wreath honouring the efforts of all who served in two world wars, the Korean War and other conflicts and peacekeeping missions, as part of last Monday's Remembrance Day ceremonies at the Elk Point Cenotaph.

Elk Point remembers

By VICKI BROOKER
Review Staff

Two scarlet coated RCMP officers and seven representatives of Canadian Forces Wainwright led the parade of dignitaries, organizations and businesses as Elk Point and district gathered at the cenotaph to place wreaths and pause in reverent silence to remember those who have served Canada in the world wars, Korean conflict and peacekeeping missions around the world.

The group then proceeded to the nearby Seniors' Recreation Centre for the second portion of the program, starting out with the playing of The Last Post, two minutes of silence and Reveille.

Mayor Parrish Tung, serving as master of ceremonies, read the Act of Remembrance, and was followed by Wolke Cueva, reading "In Flanders Fields" and Paige Henderson, replying, "We Shall Keep the Faith."

Margaret Modin brought greetings on behalf of MP Brian Storseth, saying it was an honour to participate in remembering those who lost their lives fighting for our freedom and "to acknowledge all of those still fighting today...in hopes of bringing peace. I trust we will continue to show our respect for those who serve this country in the past and today."

Erna Holliday spoke on behalf of MLA Shane Saskiw. "On Nov. 11, Canadians stand together to remember the hard work and dedication of our heroes. Canada would not be the great nation it is without those who have served it in the past 100 years."

Deputy Mayor Bernice Capjack represented the Town of Elk Point, and offered a special thank you to the young people present, expressing hope that they will continue to remember the sacrifices of the past.

New council gets right down to work

By VICKI BROOKER
Review Staff

Elk Point's new town council waded through a lengthy agenda at their first regular meeting, starting off with two delegations.

Mona McGinnis visited council on behalf of the Early Childhood Development Committee, introducing them to the group's project, a mapping initiative that started in 2011, "looking for the strengths and gaps in programs and services for children from birth to five years old." The following year, ECS teacher Debbie Wood, who is also a member of the ECD Committee, administered tests to her students that would track five areas of development: physical health and wellbeing, social competence, emotional maturity, language and thinking skills, communication and general knowledge "A lot of times we invest in things and don't see immediate results, but investing in early childhood development pays off," she noted.

McGinnis said in the study's geographic area, "we are considered 'low socioeconomic,' yet our kids performed quite well," scoring in the mid to high 80s in all but language and thinking skills, where they averaged just over 72 per cent.

A survey distributed to the children's parents asking what events and resources they used. When results were compiled and the committee shared the results at family-oriented events, McGinnis said, "I can't believe how many people said 'Wow!'"

The committee received a \$25,000 grant toward their efforts, but "we decided to volunteer," and will use the funds to attend workshops, and possibly to finance the creation of "another mural showcasing our multigenerational and multicultural community."

One more set of data to be collected before the province-wide initiative is complete.

Sgt. Dave Casey of the Elk Point RCMP was council's other visitor, stopping by "to say hello" and get

acquainted with the new members of council. He told council that planning for a new detachment office is "on the list - it's in Ottawa's hands now." Elk Point has "a busy detachment" but currently has to transport prisoners to St. Paul because the detachment has been unable to recruit guard staff at this time. Sgt. Casey said he would like to add one more provincial member to his staff, but noted that members are hard to obtain when "every police force is on a recruiting campaign."

Town manager Myron Goyan reported that his office staff was in Edmonton learning the fine points of the town's new computer system.

One of the first tasks for the new council will be the 2014 operating budget review. Each was provided with the 2012 actual and budget figures, the 2013 year-to-date and budget figures and tentative figures for the 2014 budget. A prioritized list of capital projects totaling an estimated \$26.58 million was also presented for councillors' consideration.

NATIONAL CHILD DAY
November 20
What is National Child Day?

It's a specially designated day to mark two historic events: the 1959 signing by Canada of the United Nations Declaration of the Rights of the Child; and the adoption of the UN Convention on the Rights of the Child in 1989.

Most importantly, it's a day to remember that children need support, encouragement and respect to grow to their full potential - and that we each have a part to play.

Council

(Continued from Front Page)

Goyan said council may want to consider the engineering services for major projects to be tendered out. "Winter is the time to design" for work to be started in the spring, he noted.

MSI

The deadline for non-profit groups to apply for Municipal Sustainability Initiative operating grant funding has been extended from Nov. 12 to Jan. 10, as only six applications had been received to date.

Workshop

Council received information on the 'Promote Local Food Initiatives' workshop at Portage College's St. Paul campus, which Mayor Parrish Tung fellis is "a very good project. He suggested that "at least one member" of council should attend.

FCSS retirement

The retirement of FCSS director Deanna Easthope as of Dec. 31,

2013 was accepted with regret.

Christmas closure

Adding a day to the town office staff's Christmas break was a subject for debate. The office traditionally closes at noon on Christmas Eve as well as Christmas and Boxing Day, and Goyan asked if council would consider closing on Friday, Dec. 27 as well. The motion to close on Dec. 27 passed by a four to one vote margin.

Hosting grant

Council agreed to pay Elk Point Minor Ball the \$2,000 Provincial Hosting Grant for 2013, and discussed the potential to increase the amount next year, when Elk Point may host several provincial sports tournaments.

Skateboard park

A letter from Elk Point Elks Lodge asked for council's support of their plans to build a skateboard park for the enjoyment of local youth. The

Elks asked if the town could provide a suitable location, insurance and ongoing maintenance for the park.

Coun. Bernice Capja is "totally in favour supporting" the project while Coun. Dwayne Yaremkevich noted the town has a suitable location and he is "indefinitely interested." Coun. Debra McQuinn felt it would be something that could call theirs, and should be something of good quality." Coun. Lorne Young noted the Elks have done so much research and plan this would be a permanent structure "on the plus side of \$100,000 that would be safe, something that would be used." Mayor Tung said the fenced area west of the spray park would be ideal for the park, and that he would like to have washrooms, a change room and lights installed in the area as well.

NOTICE OF ANNUAL GENERAL MEETING
OF THE MEMBERS OF ST. PAUL MUNICIPAL SEED CLEANING ASSOC. LTD

Monday, December 2, 2013
St. Paul Municipal Seed Cleaning Plant
at 7:30 pm

NOTICE IS HEREBY GIVEN that an Annual Meeting of the Members of St. Paul Municipal Seed Cleaning Association Ltd. will be held at the St. Paul Municipal Seed Plant at St. Paul, in the Province of Alberta, on Monday, the 2nd day of December, 2013, at 7:30 pm for the following purposes:

1. To receive the financial statements of the Association for the financial year end;
2. To elect Directors of the Association;
3. To appoint an Auditor of the Association;
4. To amend or accept amendments of Bylaws
5. To transact such other business, if any, as may properly come before the meeting.

Remembrance

(Continued from Front Page)

"Life is precious, and war is a senseless waste. We should embrace our liberty," she noted, considering its cost in lives. Capjack spoke of much-decorated veterans, saying, "Little do we know what each medal means," to those who wear them. She urged all to "be proud of who we are and the lifestyle we enjoy, and always remember why."

County of St. Paul Coun. Dwight Dach was pleased to see Remembrance Day "given the dignity it deserves," as we remember those who served in war, conflict and unrest. Remembrance Day commemorates the day and time that World War I came to an end in 1918, with the signing of the armistice, he said. "We must never forget the sacrifices Canadians made. Canadians have always come together as one to defend peace. May God bless this great nation."

Elk Point Community Choir paid tribute in song, with "Thank You Soldiers."

"In times of peace, sons bury their fathers," guest speaker Allen Warawa said. "In times of war, fathers bury their sons. Seventy-three years ago was the Battle of Britain, an eternity ago. How easy it is to take peace and our blessings for granted."

He told of 120 men marching through the jungle in Korea toward a concentration camp. "Sixty fell in their tracks on the way... and only 20 survived to come back home. One man said, 'All I could do was to look at each tree, and march to it, and then march to the next tree, such was my desire to continue so I could return home.'"

Warawa's grandfather was born in Austria in 1890, and as a young man, wanted to leave his homeland. "He traveled under the neighbour's load of hay, and as they crossed the border, a soldier stabbed his sword into the hay."

Grandfather held a stick in his mouth, and bit it so he wouldn't scream when the sword went through his leg." He survived and came to Canada, where he enjoyed its peace and blessings. He volunteered to fight in World War I and was turned down, and when he volunteered again at the beginning of World War II, "he was sent to a prisoner of war camp at Jasper. He lived to be 102, and told me to embrace this freedom, that cost so many so much."

Warawa also spoke of the bravery of the passengers on Flight 93 on 9/11, which although destined for the White House, crashed into a field. "Those people sacrificed everything, the cost of keeping peace. We must never forget the cost to our parents, grandparents and great-grandparents so we could have peace and freedoms."

He noted that the 150 soldiers who have died in Afghanistan are a small number compared to the casualties in World War II, "but it's only a small number if it's not your son or daughter. Freedom is not free. It comes at a cost, but people are willing to give. Thank goodness for our fighting men and women. The generations before fought hard to keep our peace and freedom."

Paige Henderson recites "We Shall Keep the Faith."

Capsule Comments

by Your Natural Choice Apple Drugs pharmacist, Chris Letawsky

- The most rapidly increasing type of cancer in the developed world is esophageal cancer where tumours affect the tube that takes food to the stomach. This type of cancer is linked to smoking, acid reflux and obesity. Since smoking rates are dropping every year, the increasing rate of obesity is one of the main risk factors.
- The laws governing the restriction of certain drugs to prescription-only are designed to protect the public. It wasn't always so. Back in the early years of the 20th century, people could buy products like Coca Wine and Heroin which contained the drugs cocaine and heroin, which made addicts out of many people. Even morphine products were freely available. Drug laws protect us well today.
- As pharmacists, we are always confident of the quality of the medications in the pharmacy. They are accurately labeled with the name and amount of every active ingredient. Street drugs are another matter. Contents are not guaranteed and may even contain other drug products. One dose of a bad drug can change a life forever. The best and safest rule is don't take it.
- We all miss doses of our medications now and then. If you miss one dose, take the dose the next time it's due. Don't double up. With birth control pills, it's a bit more involved. It depends on the type of pill you are taking and which tablet in the cycle was missed. It may be necessary to use another method of birth control.
- Our pharmacists are available with the answers about missed doses of medications. Don't hesitate to check with them whenever you are in doubt.

Working Well Workshop

Did you know that a poorly maintained water well can put your water supply at risk of contamination and reduce your well yield?

If you are one of 450,000 Albertans who use their water well for household purposes, the key to ensuring your water supply is safe and secure is knowing how groundwater works, learning about your well and understanding how to properly maintain it.

Proper water well siting, construction, maintenance and plugging will help protect your well from biofouling and contamination, save you costly repairs, and ensure your well water yields are sustained over many years.

If you'd like to find out if your groundwater is at risk and learn what you can do to protect your well, attend a free water well management workshop being hosted by Lakeland Agricultural Research Association, and presented by the Working Well Program, with technical expertise from Alberta Agriculture and Rural Development, and Alberta Environment and Sustainable Resource Development on November 28th, 2013 at the Mallaig Unity Hall starting at 6:00 PM. This hands-on, informative workshop is designed to help water well owners better understand and manage their precious groundwater supplies.

Consider how your life would change if you lost your water supply!

During the workshop we will cover:

- Groundwater - how it works
- Water Quality and Quantity Testing
- Well Protection - protecting your well from contamination
- Basic Well Maintenance
- Water Sampling - how to do it

Nov. 28th, 2013
6:00 PM at the
Mallaig Unity Hall

To attend the workshop, please pre-register by calling Kellie at the LARA Office at: 780-826-7260

YOUR VIEWS

Supporting our
Filipino community

Dear Editor,

With the massive destruction of Typhoon Haiyan in the Philippines, it is times like these that we are reminded just how blessed we are to live in this great country. The full extent of this horrific storm is not yet known and many of our community members are watching helplessly as news reports stream in.

The Government of Canada has sent its Disaster Assistance Response Team (DART) to the Philippines to aid in the emergency response, equipped with essential items and equipment. Our government has also committed to match all donations made by Canadians to registered charities responding to the crisis.

We have welcomed many Filipino's into our community and they have become good friends and neighbours to many. I would like to take this opportunity to reach out to those whose families may be impacted by Typhoon Haiyan. I invite anyone with questions or concerns to contact my office at 780-614-6440 or to stop in, we are here to help.

Relatives and friends seeking information on Canadian citizens believed to be in the affected areas can also contact the Emergency Watch and Response Centre by calling 1-800-387-3124 or 613-996-8885. They may also send email to sos@international.gc.ca.

My deepest sympathies to those who have lost loved ones as a result of this devastating natural disaster; my thoughts and prayers are with you.

God Bless,

Brian Storseth

Member of Parliament, Westlock - St. Paul

WAY BACK WHEN...

Remembrance Days

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF NOV. 19 IN...

1988

Medal decked veteran Lawrence Garneau placed the Royal Canadian Legion's wreath at the cenotaph as a large and shivering crowd paid tribute to those who served their country in two world wars and the Korean War. One hundred feet of local history was lifted onto the supporting pipes as Elk Point's mural was installed in the park west of the public library.

1993

Legion president Louis Verhagen said that the large crowd filling the Seniors' Recreation Centre on Remembrance Day made it "very evident that this community does not forget." A group of Agricultural Society members and volunteers weighing in at a total of 3,159 pounds gathered pledges for each pound lost before April, to gain funds for the society.

1998

Exactly 80 years after the armistice was signed to end World War I, more than 200 Elk Point and district residents crowded around the Royal Canadian Legion cenotaph to celebrate peace and to honour those who made it possible. The Town of Elk Point agreed to join the town and County of St. Paul and the town and County of Smoky Lake to form a regional landfill authority.

2003

Legion secretary Genevieve Russell made presentations of financial aid to Heritage Lodge, Elk Point and District Ambulance, STARS and Santas Anonymous during the annual Remembrance Day ceremonies. Town council voted four to one to join to sign a five-year contract with the Alberta Urban Municipalities Association for their Energy Aggregation Program.

(Continued on Page 5)

GUEST COLUMN

Child rights

Tomorrow is Wednesday, November 20th and is known as Universal Children's Day or National Child Day. National Child Day has been nationally celebrated since 1993 to commemorate the United Nations' adoption of two documents centered on children's rights: the United Nations Declaration of Rights of the Child on November 20, 1959, and the United Nations Convention on the Rights of the Child on November 20, 1989.

To clarify the vision of what these two declarations outline, the United Nations General Assembly proclaims this Declaration of the Rights of the Child to the end that he may have a happy childhood and enjoy for his own good and for the good of society the rights and freedoms herein set forth, and calls upon parents, upon men and women as individuals, and upon voluntary organizations, local authorities and national Governments to recognize these rights and strive for their observance by legislative and other measures progressively taken in accordance with the following principles:

Principle 1 explains no discrimination on account of race, color, sex, language, religion, political or other opinion, national or social origin, property, birth or other status, whether himself or his family.

Principle 2 explains the child shall be given opportunities and facilities, by law and by other means to develop physically, mentally, morally, spiritually and socially in a healthy and normal manner.

Principle 3 states the child shall be entitled from his birth to a name and a nationality.

Principle 4 states the child shall be entitled to grow and develop in health. This outlines that the child shall have the right to adequate nutrition, housing, recreation and medical services.

Principle 5 states the child who is physically, mentally or socially handicapped shall be given the special treatment in education and care required by his particular condition.

The Elk Point Review publishes a variety of opinions as a contribution to debate on matters of public concern. Unsigned editorials express the view of this newspaper's editorial board which includes the Publisher and the Editor. Signed pieces express the view of the individual writer.

deanna EASTHOPE

from the FCSS desk

Principle 6 explains the full and harmonious development of his personality. He shall, wherever possible, grow up in the care and under the responsibility of his parents, and, in any case, in an atmosphere of affection and of moral and material security; a child of tender years shall not, save in exceptional circumstances, be separated from his mother. Society and the public authorities shall have the duty to extend particular care to children without a family and to those without adequate means of support.

Principle 7 explains that the child is entitled to receive education, which shall be free and compulsory, at least in the elementary stages. ... The best interests of the child shall be the guiding principle of those responsible for his education and guidance; that responsibility lies in the first place with his parents. The child shall have full opportunity for play and recreation.

Principle 8 states the child shall in all circumstances be among the first to receive protection and relief.

Principle 9 states the child shall be protected against all forms of neglect, cruelty and exploitation. He shall not be the subject of traffic, in any form. The child shall not be admitted to employment before an appropriate minimum age; he shall in no case be caused or permitted to engage in any occupation or employment which would prejudice his health or education, or interfere with his physical, mental or moral development.

Principle 10 states the child shall be protected from practices which may foster racial, religious and any other form of discrimination. He shall be brought up in a spirit of understanding, tolerance, friendship among peoples, peace and universal brotherhood, and in full consciousness that his energy and talents should be devoted to the service of his fellow men.

The above ten principles I found to be very interesting. Maybe you all noticed as I did - the use of "his" rather than "his or her". Then again, as I was outlining the ten principles, I found myself using a check list to note if I felt this was already being done (assumption) or maybe this area could be improved upon. This is all something for you to think about tomorrow. If you want to know what Canada is doing, go to National Child Day Web site.

Way Back More sponsors needed

(Continued from Page 4)

2008

More than 30 wreaths banked the Elk Point cenotaph on a cloudy morning 90 years after armistice was declared on 'the war to end all wars,' as Elk Point marked Remembrance Day. Elk Point Healthcare Centre was declared one of the healthiest places to work in Alberta and was one of eight employers honoured with a Premier's Award for Healthy Workplaces.

By VICKI BROOKER
Review Staff

With Elk Point's Christmas Extravaganza just 10 days away, the Elk Point Chamber of Commerce is still looking for more sponsors.

Donations have been slow coming in this year, and chamber president Debra McQuinn feels there could be some last-minute corner-cutting if the usually generous business community doesn't

assist with financing of the event. The fireworks alone, she notes, cost more than \$3,000, while other parts of the evening, such as the clown shows and prize draws, add to the evening's price

OBITUARY

**MAKSYMIEC,
Steve**

On November 13, 2013, Mr. Steve Maksymiec of Elk Point passed away at the age of 87 years.

He is survived by 2 sisters & 2 brothers, Helen Borutski of Edmonton, Roy (Beverly) of Leduc, Mary Olinyk of Two Hills & John (Bernice Capjack) of Elk Point; numerous nieces & nephews. He was predeceased by his parents, Fred & Annie; 2 brothers, Bill & Mike; sister, Lillian.

A Funeral Service will be held on Friday, November 22 at 11:00 a.m. at St. Vladimir Ukrainian Orthodox Church, Elk Point. Reverend Father John Lipinski will be officiating with interment in the church cemetery. If desired, donations may be made to Alberta Heart & Stroke Foundation c/o 5626 - 51 Street, St. Paul, AB T0A 3A1. To send condolences online, please visit www.gracegardensfuneralchapel.com.

GRACE GARDENS FUNERAL CHAPEL, 5626-51 Street, St. Paul, AB, T0A 3A1, Ph. 780-645-2677.

tag. She was pleased to report that a local business once again has come forward to volunteer its tractors and wagons for the always popular wagon rides.

Quote of the week:
 "We would have won if we had Wayne Gretzky." Last week's answer to: "You'll never catch me bragging about goals, but I'll talk all you want about my assists" - Wayne Gretzky.

Atom barn burner

By DOUG BASSETT
 Review Sports

It was a real barn burner down at the A G Ross Arena when the Atom Avalanche hosted Mallaig on Sunday afternoon. The Avalanche taking an early two-goal lead in the first period, Jaden "Jet Stream" Van Maarion opened the scoring with his first of four goals, then Jadey "the Lady" Capjack scoring a beauty one timer assisted by Lenae Peebles and Matthew Quinney. "The Lady" also did an awesome job of forechecking in this game. Mallaig tied the game in the second period, but the Avalanche would pull ahead again

by two after 40 minutes. Early in the third Mallaig tied the game at four, then pulling ahead by two goals. But the Avalanche never rolled over or weakened, they mounted a late comeback, tied the game at six all, and with the clock ticking down, defenseman Jace "the Stafford Streak" took things into his own hands, ripping a slap shot that became the game winner. "Lightning Liam" Ludlage with a goal and two assists. Charlie "Angel" Rogal with a goal, plus blocking shots. His cousin between the pipes, "Radar" Ronan Poulin played simply superb.

Hockey highlights

(Continued from Page 7)

"Jorja Girl" Theriault and "Odin" the Wall" Smith also helping with assists, a total team effort winning this one.

Talk about a hot goalie. Former Avalanche player Garret McGillivray, now playing in net for Boyle, is a friend, no more, after he shut the door on our Avalanche, the final score, 7 to 2 for Boyle. He made a difference for sure; the shots on goal were almost the same. Hayden "Hot Wheels" Ludlage scoring the only two goals for the Avalanche. The boys played well, just not well

enough against the top team in the league. The day before they played in Frog Lake, winning quite easily 6 to 2. "Hot Wheels" with two, Devon "Naz" Nazarchuk, Dylan "the Destroyer" Ference, Connor "Coast to Coast" Lychak and "Sam I Am" Henderson all scoring in this one, Corbin "Crusher" Ockerman with an assist.

A good weekend for our Bantam Avalanche who played a home and home series against Glendon, winning both games, Saturday at home, goalie Shane Hurtobise with a shutout, the

Avalanche, winning 8 to 0. Two goals each for Ethan Tremblay and Ethan Dion. Singles for Shay Wood, Nicholas Tucker and Cameron Baird. "Warrior Warren" Ference with one goal and a huge hit at center ice that shook loose a few cobwebs. "CCW" Christian Castle-Wasson, Chad "Pick Pocket" Poitras and "The Big O" Brody Odgaard all with helpers.

Pulling the trigger, Cameron Baird with a hat trick on Sunday in Glendon, "Pick Pocket" with a goal and an assist, "the Big O" with a goal and two assists, Ethan Dion and Shay Wood both finding the back on the net, Austin "Ozzie" Stafford with an assist.

In Novice No. 2 action in St. Paul, our Avalanche won 10 to 2, Hat tricks for "Mic Jager" Fontaine, and "Dean the Machine" Ockerman, two

goals and two assists for "CC" Cash Capjack, Mason Youngchief and Sam "Spiderman" Rogal also scoring. Ethan Castle -Wasson and Joseph Theriault with assists.

The Novice No. 1 team played on the road in Saddle Lake on Saturday, losing a close one 9 to 6. Luke "Skywalker" Poulin and "King Kong Konner" Poitras with a hat trick each, Vanden "Mario" Moroziuk getting his goaltending debut was solid for his first time in the cage.

On Sunday at home they defeated St. Paul 7 to 2. "Skywalker" and "King Kong Konner" with hat tricks, Rylee the "Roadrunner" Warawa with one. Behind the mask Brady Hymanyk kicking out some timely saves.

A big happy 25th anniversary going out to Murray and Wanda Cochrane today.
